CYCLONE LM is a young bull out of the best 3S DANICA daughter and the best SILENT IRON son. For years, two longhorns slugged it out for longest Tip-To-Tip cow in the breed — 3S DANICA and SILENT IRON. Both are now each around 115" TTT and carry it well. Both are the product of over a century of work by legendary breeders Red McCombs / Alan Sparger and Darol Dickinson.
